Plans approved for renovations to Minden hospital

Plans for major alterations to the Minden Red Cross Hospital were approved at a meeting last Thursday. The renovations are expected to cost close to \$65,000.

The plans were prepared by the architectural firm of Carswell and Griesback of Orillia. Approval for the preparation of detailed drawings of the changes was given following the meeting. Attending were John Ackland administrator for the Ontario Division of Red Cross Hospitals, Jim Burton, regional chairman of the

Ontario Division of Red Cross, Rob Luke, president of the Minden Branch, and Jean Anderson, charge nurse at the local facilities.

The renovations will result in a number of changes to the entrance area to improve service to patients arriving for treatment. What is now the emergency treatment and X-ray area will become an administration office and storage area for patient files. The present office will be used as a waiting room with the addition of a dark room at the south side. This dark room will connect with the X-ray room, at the moment one of

the patient rooms next to the office.

A second patient room will become the emergency treatment area.

A nursing station will also be established at the intersection of the entrance hallway and the hallway which runs the length of the building.

In addition to these changes, a number of new washrooms will be added to existing patient rooms. A complete interior refurbishing, painting of walls and ceilings and new floor covering, will also take place.

According to Jim Burton, the renovations are not expected to begin until this autumn, when the busy summer season has past. The work will be carried out in such a way as to not disrupt the regular operation of the hospital.

The plans for the changes will have to be approved by the Ontario Ministry of Health. It is expected that once approval has been received the province, the Ontario Red Cross and the local branch will share the cost of the changes.

The renovations should be completed by Christmas.

This boat found itself launched at the side of Highway 35 Saturday afternoon following a single car accident. The mishap occurred when a car driven by Edith Isabel of Florida went out of control just south of Miners Bay. The boat and trailer became detached from the swerving auto and were thrown onto the side of the road. The boat sustained a broken windshield and other minor damage. There was also minor damage to the vehicle. No one was injured in the mishap.

Council backs 2 year limit

Lutterworth council has endorsed a resolution asking the province to change regulations regarding the time limit for unpaid property taxes.

Discussion of the matter at the July 16 meeting centred around a similar resolution passed by the United Townships of Bangor, Wicklow and McClure which would reduce

the three year period to two years. Under the Municipal Act, property can be seized and sold to recover taxes that have not been paid in three years.

The Ministry of Intergovernmental Affairs is being petitioned to amend the time restriction.

Councillor Bill Prentice said, "People shouldn't be

three years behind in their taxes."

If the amendment is passed by the province it will mean all back taxes must be paid to prevent seizure once the two-year period has run out.

Council will send a copy of its endorsement to Queen's Park.

Sorry we're late

We apologise to our readers and advertisers for the late appearance of The Times this week. Due to problems beyond our control, the production schedule was disrupted.

Curator sees bright future for gallery

by Sue Scott

As the new curator for the Rails' End Gallery, Lucinda St. Pierre seems determined to make the gallery into a vehicle for artists and an educational centre for everyone.

She has been easing into her job since February although her full time work began in June.

Actually, Lucinda says, her involvement with the gallery goes back even further than that, to when the Rails' End was still a germ of an idea.

"A couple of years ago, the Guild's summer exhibition and sale was held at the high school in Haliburton," she recalls. "I came up and did a demonstration and workshop on arranging local wild flowers. I was involved in the early days that way."

This past Christmas was the first time she was approached about working at the gallery.

"I was here at Christmas for two weeks," she says. "I had seen the gallery during the Christmas sale. I knew Carole Finn, (the gallery's previous curator) and at a party she mentioned to me they were looking for a new curator and I thought, they must be doing

well."

At the time, she says, she had a teaching job in Cabbagetown, in Toronto, that ran until June but she says she thought seriously about the new opportunity.

"Even though I had a job at the time," she explains, "I was really looking for something other than teaching."

She had 11 years experience as an elementary school teacher, mainly in Toronto but, she says, some in Vancouver. She also had experience teaching art to grades 3 and 6.

Toronto home

Lucinda has spent most of her life in Toronto and she says she really considers it her home although she was raised in Prince Edward County, south of Belleville.

"Carole told me a little about the job," she says, "That it just wasn't to look after the gallery but to work within the school system as an art consultant."

As an added inducement, she says she really wanted to live in Haliburton County and this helped her to make up her mind about accepting the job.

She says she feels her work with the school will be

important and she is thinking of several ideas for programs.

"There are spaces in the school art program," she explains. "Art is not being taught in some areas or if it is it needs some new ideas and input from people trained in the arts."

Her time is divided between the gallery and the schools. Lucinda says 25% or one and a quarter days a week will be spent at Haliburton High School starting in September.

"I know it's going to be very difficult to decide what I should do to benefit the most number of students. It will probably be in the form of workshops for teachers. In that way I can find out what the needs are and how I can feed in other ideas."

She is also thinking of having artists or local people proficient in the arts to assist in teaching some of the courses.

Gallery's future

In the meantime, she still will have a thriving art gallery to run.

She says she hopes most of the shows for 1982 will be booked soon but her responsibility will always be looking for new and interesting displays and guest

speakers.

"I have to decide where the gallery is going as far as being an art gallery and what types of things will be shown," she says.

One of the recent shows on folk art was popular and Lucinda says she'd like to show more of it.

"There is probably a lot in the County I haven't discovered yet," she says. "I want to bring the local people in touch with that."

Her other important concern is providing a wide variety of activities during the summer months.

"We have to be conscious of Haliburton as a tourist area in the summer," she says. "So the gallery would be geared to a variety of arts and crafts that would attract people and also be high quality work."

She is quick to add the gallery is not going to become a boutique or a souvenir shop.

Solo shows

Another feature she says she would like to continue is the solo show.

"Quite a few people are coming to me to book a solo show," she explains. "This would promote their work but (more on page 3)

The Setting

Fast efficient service came to the Highlands when the Dixie Lee franchise opened on the by-pass 2 years ago. That tradition has continued today, nurtured by Ken & Marg Fielding and their courteous staff.

Dixie Lee, an all Canadian operation, is the first franchised fast food company to venture into the Haliburton Highlands. By all reports, that move has been a success.

The menu is limited to fried chicken, a number of seafood items and all the fixings that go with it. There is a number of salads available to go with your meal.

Dixie Lee offers take out service, or you can enjoy your food in the restaurant. Picnic tables are available during the summer.

Fried chicken is always a favourite with the kids and Dixie Lee in Minden is just the spot to treat them. After dinner they can select an ice cream cone from a rainbow of flavours.

Dixie Lee is located on Highway 35, Minden. They're open until 11 p.m. each night, and until 1 a.m. Friday & Saturday.

P. S. If chicken is not what you want, may we suggest Maggies, right next door. They feature the same fast service with a menu based on char broiled hamburgers, french fries and pizza.

Woman dies in canoe mishap

A canoeing accident has taken the life of a 25-year-old Caesarea, Ont. woman in an incident Monday evening. Susan Kimberly Watson was canoeing on Kashagawigamog Lake when she fell out of the boat and did not resurface. Her husband, John and her father-in-law searched the area but to no avail. OPP divers conducted a search until dark and resumed

on Tuesday morning. Early Tuesday afternoon, the body was recovered and brought to Minden.

The coroner in the case is Dr. Blair Pierce and the matter was investigated by Corporal Ron Foran and Constable Brian Dunham.

3 charged in slaying

Minden OPP are continuing their investigation into the murder of a man in the Kinmount area during the weekend. Police have released few details as of press time, but it has been learned that 22 year old Kirk Wash was killed in Snowdon Township just north of Kinmount. The incident is believed to have taken place Friday evening.

According to the authorities, three Toronto area men have been charged in the incident. Charged with first degree murder are Austin Lochhead, 18, David Kernaghan, 21, and Roger Charles Foster, 17.

It is believed the victim was beaten to death. Constable Mike Maher of the Minden OPP is investigating the incident along with the assistance of Toronto OPP officers.

New curator

(from page 1)

it might also be exciting for the gallery. I'll be making decisions about what would best help the gallery."

The Rails' End is quickly becoming well-known and respected she say and she hopes to increase this feeling.

"We're becoming known farther and farther afield," she says. "Our reputation is growing and I think the selection of shows has helped that."

Lucinda St. Pierre has an upper hand in making decisions about the gallery but she says she does work closely with the Guild of Fine Arts.

"I have to work with the Guild, especially in the field of finance," she says. "When I make a decision on a show, I am spending money already. I have to make a budget and then we analyze it and ask is it

the right time of year to warrant this show, or is it suitable for educational purposes so that I could book school groups and use for instructional purposes. I'm particularly thinking of this idea in the winter when it is not as busy."

Not only is the gallery being recognized by artists and other art galleries but by the people visiting the gallery. Lucinda says she has had a lot of positive feedback from the shows such as the silk show, the children's puppet show and the show on historic Ontario homes.

She's determined, she's organized and she knows she has a flair for the unusual and the exciting and so far it has worked well for the gallery and the people of Haliburton County.

"Basically, it's a whole new situation for me," she says.

BY MARK TURRIS

Editorial

The time has come

The nation's postal service has been effectively shut down for 22 days now and, at the moment, no end to the dispute appears in sight. Both sides have been standing firm with little or no indication of compromise on the horizon.

In the meantime, business across the country has been severely hurt. In particular, small enterprises have suffered as a result of the work stoppage. These are the companies which cannot afford the services of courier companies to deliver their vital mail, or who rely heavily on the postal service to maintain their cash flow. Some have been able to find stop-gap measures, but these only offer minor benefits.

With inflation at an all-time yearly high, this is no time for further strain to be placed on our economic stability.

It is time the federal government legislated the postal employees back to work. It is time the needs of the nation's economy came before the vacation plans of our elected representatives in Ottawa. It is time to draft legislation which would protect the rights of workers in essential services while giving the country's economy the security of knowing these vital links will not be interrupted.

It is time to get the mail moving again.

Letters

The Times welcomes letters from our readers on topics of current interest. All submissions must be signed by the author whose name will appear with the letter. Only in exceptional circumstances will we allow a letter to appear without identifying the author. We reserve the right not to publish letters which in our estimation are inappropriate and also to edit submissions for length. Letters to the editor should be sent to The Times, Box 97, Minden or left at our office on Bobcaygeon Road North.

Mainstream Canada

Small firms hit hard

By W. Roger Worth

About 30,000 Canadian individuals and firms will be placed in bankruptcy this year.

The experts anticipate 23,000 or so personal bankruptcies, and business bankruptcies will probably total 8,000, the highest number recorded since the 1930s depression.

In addition, thousands of other businesses will be placed in receivership and other entrepreneurs will simply pay the bills and go out of business.

Roger Worth is Director, Public Affairs, Canadian Federation of Independent Business.

While the overall figures are depressing, smaller businesses are placed in a particularly difficult situation because many of them will become creditors. And Canada's outmoded bankruptcy and receivership laws overwhelmingly favor secured creditors such as banks and financial institutions, leaving smaller firms to write off tremendous amounts of money.

In fact, one study indicates banks rarely lose money when

bankruptcies and receiverships occur. Meanwhile, smaller creditors receive less than 10¢ on the dollar in about 85% of cases, according to one survey.

Ottawa is presently reviewing bankruptcy legislation.

Most provinces have also been lax in creating rules and regulations to protect smaller firms.

Here's an example. An Ontario company recently delivered \$2,000 worth of goods to a customer. A few days later, the bank placed the customer's firm in bankruptcy. The supplier's product was sitting untouched on the bankrupt customer's shop floor.

When the product is sold at a bankruptcy sale, most or all of the proceeds will go to the major secured creditor, the bank.

Meanwhile, if a similar situation had occurred in Quebec, the supplier would have had 30 days to retrieve the goods after the customer became insolvent, saving the \$2,000.

Quebec is the only province in the country with such legislation.

Chomp, chomp, chomp

Tenth year for foot race

Organizer for Minden's annual footrace, the Heineken Yard, Ian Sainsburg is hoping that close to 300 runners will be taking part in this year's event. If his prediction holds out, it will mean the number of entrants will have doubled over last year and give a solid indication that the reputation of the annual race is really starting to grow.

This will be the tenth year for the Yard, a race started by two Onondoga Camp employees in 1972. The part spent the summer training and then, just before the closing banquet at the camp, raced from the camp gate to town, a distance of 4.5 miles along the Deep Bay Road. The challenge became an annual event and started to attract other runners. Last year there were 150 runners entered.

While the race is billed as a

"fun run", some very serious competitors will be taking part this year. Among the serious runners are Dr. Robert Moore, a four time, top ten finisher in the famous Boston Marathon, and second overall in the 1980 Heineken Yard; Graham Milne one of Scotland's top runners; Jack Friole a top ten finisher in the Labatt's Toronto Marathon; Rocky Phillips and Pat Donnelly competitors in the grueling Hawaiian Triathlon which includes a five mile ocean swim, 100 mile bicycle race and a full marathon.

Of special interest this year will be the participation of the Canadian Olympic four-man bobsled team, Kirby Best, Gordon J. Woolley, Francis K. Kerr, Greg Alford and David M. Leuty. They plan to run from the starting point and will push a special wheeled replica of the bobsled

for the last mile of the race. The wheeled sled is an important part of their training regimen. These athletes have been in training

since last winter and will continue training full time in hopes of winning a gold medal for Canada at the 1984 Winter Olympics.

Delivery continues, but we are ready

At the moment local postal service is continuing and as long as these post offices are open The Times will use these facilities to distribute newspapers to subscribers. Individuals served by post offices in Minden, Haliburton, Kinmount, Norland and Dorset can expect to receive their newspaper by mail as long as these offices are operating.

In the event of the disruption of local postal service, special arrangements have been made for the distribution of subscription copies in Minden and Haliburton. Minden box holders and rural route subscribers will be able to pick up their copy of the newspaper from The Times office, Bobcaygeon Road north, from Wednesday noon on. Haliburton box holders and rural route subscribers will be able to pick up their copies of the paper from the Framing Studio, Oak Street, Haliburton, from Thursday morning on. Only the current issues of the newspaper will be available and those papers which are undelivered will be held until postal service resumes and then sent.

July 29 - 6:30 p.m. - Stinson Memorial Canoe Race - from Rotary Park to the Bridge, Minden.

July 29 - 1 pm - Forest Fire Management Day, Frost Center, Dorset.

July 30 - Heineken Yard-10th Annual Race from Onondoga Camp gate to the Rockcliffe Hotel. Race begins at 4:30 pm.

July 29 & 30 - Minden Rotary Carnival - Minden Arena.

Readers will recall last Fall we featured a story about Michelle Maher and her travels to Holland. While there, she stayed with the Boomkamp family. Michelle's father, Mike, an OPP Constable, had met Mr. Boomkamp when he was in Minden as a security officer for the visit of a member of the Dutch royal family to one of our local camps. Well, this time the tables are turned and Judith Boomkamp, left, has been a guest of the Maher family. She has been enjoying her stay in Canada, visiting Toronto, Niagara Falls, Ottawa and other sights in southern Ontario. Judith returns to Holland later this week following a three week stay.

FROM THE CHAMBER

By Bob Stinson

What is there to do around here?

This is one of the most common questions asked of our travel counsellors during the summer.

It surprises us, as well, at just how often our own local business people find this a difficult question to answer. With this in mind we thought it worth while to devote much of this week's column to the subject.

The immediate response to the question is to refer to the centre pages of the Chamber Directory which is available at stores, restaurants and information centres throughout the county. Beside the county map there is a list of 30 points of interest which include 6 attractive waterfalls or rapids, and 6 scenic vantage points from which various breath-taking views can be enjoyed. There are 4 parks described and 9 historic sites, exhibits or museums. There are 5 other miscellaneous points of interest shown including the location of our information centres.

Among the museums are the beautiful new Pioneer Museum opened in Glebe Park last year, and the new displays at the attractive log library at Minden. The Rails' End Gallery features an ever-changing set of displays in Haliburton Village and presently is showing works created by the teachers who are involved in the courses at the summer Haliburton School of Fine Arts, sessions at the Haliburton High School.

The Kanawa International Museum at Camp Kandalore houses the largest display of canoes and kayaks in North America. The Leslie Frost Centre on Highway 35 has a number of wildlife and lumbering exhibits and also boasts some excellent nature and hiking trails.

There is a busy program of events for which our information centres can supply more information on request.

Besides all these attractions there are a great number of other interesting and exciting things all around us. The Sky Slider which just officially opened this past weekend is certainly at the head of the list along with the Tour Train which is now covering the sights of Haliburton Village. It will take you from the slider

to the museum at Glebe Park, the Rails' End Gallery, the Rotary Park and Beach area and the Government Dock where paddle boats and the cruise boat m.s. Haliburton awaits you. There is also the Highland Queen working out of Deer Lodge showing visitors the "Great Lake of Long & Narrow Winding Waters."

For golfers we have 5 excellent 9 hole golf courses here, each with its own challenges and features. If you haven't tried them all you really should while you're here.

Riding enthusiast will also find some fine trails and well trained horses available. Rockwood farms offers riding instructions for the novice and overnight or weekend trips for the hardy, experienced riders.

Windsurfing is a new sport that is gaining wide popularity and rentals and instructions are available at Eagle Lake and various other locations.

An exciting way to view this beautiful county is from the air and sightseeing trips are available in light aircraft from either Stanhope Airport of the float plane base on Lake Kashagawimog. It's a sight

you will never ever forget.

If you would rather curl up with a good book visit one of our local libraries. There is one in each municipality.

Shopping can be a lot of fun here too, if you visit some of our colourful craft and boutique shops or the interesting old fashioned general stores like Robinsons in Dorset or Banks in Haliburton.

In the evening we have an excellent selection of dining establishments ranging from basic family restaurants and snack bars to elegant licenced establishments each with its own theme and atmosphere. Most are listed in our directory and our centres will be glad to provide additional information you may require.

After dinner you may wish to do some Disco Dancing at Sir Sam's, join a sing-along at the Foggy Bottom, or enjoy the ever changing live entertainment at the PineStone, the Beaconbrook or "World Famous" Rockcliff.

On the other hand you may rather take in a show at either the Molou or Beaver in Haliburton and Minden, or the unique Highlands Cinema at Kinmount - how about roller skating at either the Minden arena or the Haliburton curling club - or a game of tennis or squash.

As if all this weren't enough to keep us occupied in the Highlands, there is a continuous line-up of special events coming up every week throughout the summer. This

week-end the Haliburton Legion are kicking off their summer carnival with their biggest ever parade Saturday afternoon featuring five (count 'em - 5) marching bands including their own Highland pipe band.

The Stanhope Fun Day on Saturday at the community centre and park on the North Shore Road will be their biggest and best ever too.

In Monmouth it's their centennial Homecoming Week in Wilberforce with a different feature each day. Sunday is a community picnic, Monday is Red Cross Day, Tuesday is Senior Citizens' Day (Heritage Day), Wednesday - Donkey Baseball, Thursday - Fireman's Bingo, Friday - Library Day with a Children's Theatre and Saturday - what else, but a big homecoming dance at the arena.

When you get really down to thinking about what there is to do around here, there just isn't enough space to cover it all in detail, and no doubt we've left something out. It's a good thing we have our information centres to help with more information so drop in or phone us. In Minden we've the "Welcome Centre" on the Highway 35 by-pass just north of the Shell Centre and you may call us at 286-1760 (toll-free 1-800-461-7677).

In Haliburton drop into the Caboose next to the Rails' End Gallery or phone 457-

2871. In Cardiff on Highway 28 information is dispensed from a restored log school house just east of McGillvary Road and the phone number is 339-2349. Ontario is "Yours to Discover" and we're here to help you "discover" the Highlands.

Haliburton's Sky Slider was the centre of attention on Saturday for the official opening ceremonies complete with ribbon cutting. Ministry of Industry and Tourism representative, Bruce Potter, congratulated and praised the organizers for their hard work over the past months. Joining Potter during the ceremonies were, from the left, Bob Stinson, Manager of the Haliburton Highlands Chamber of Commerce, Victoria-Haliburton MPP, John Eakins, Art Ward, owner of Wig-a-Mog Inn, Sky Slider owner, Steve Bowskill and Haliburton county warden, Murray Fearrey.

To my Valued Customers:

We are now entering our ninth year of serving this community with convenience items in our Haliburton and Minden outlets. During that time we have attempted to not only provide you, our customer, with the goods you wanted; at the hours you wished to purchase them, but also to be a good corporate citizen of the community. We have been involved in the same things our customers have, and supported all the worthwhile organizations and activities that surround us. We have asked nothing in return except that we wish to be a positive part of this community and grow with it.

With growth there is always a certain threat from outside interests who wish to take advantage of it. As our community now appears to be becoming viable, the chain operations that would not consider serving you in the past now plan on moving in on this market. They had no part in building this community and will take no interest in it's real future now. They have the power and financial strength to drive those of us who have been building the community with you out of business - and when we are gone, you will be at their mercy. Who will the community then look to for support?

Our business is now being threatened in this way. The only weapon we have to fight back with is the loyalty of the customers whom we feel we have served well. We sincerely hope you will agree that we deserve your support and that we can continue to serve you as in the past.

Yours truly,

Mike & Clara Vuksic

12 WILLIAM ST. SOUTH LINDSAY

Ladies softball league

On Monday July 13, Haliburton played host to the Wilberforce Ladies. The game was close from the first inning. Nancy Maughan and Wendy Roberts each hit home runs to help boost Haliburton to a 13-10 win. Betty Whiteway picked up the win.

Also on Monday, the Minden Juniors played host to West Guilford. The Juniors were leading 8-4 in the fifth inning but West Guilford fought back to win 13-11. Joan McKay picked up the win while Cheryl Dillon was named for the loss.

The Dixie Lee Homestead team travelled to play in Stanhope. The Stanhope ladies were too much for Minden as they defeated the visitors 18-13. Stanhope was led by Marg Darby who was 5 for 5 and Wendy Ballantyne who was 5 for 6 at the plate. Marg Darby picked up the win while Andrea Burk was tagged for the loss.

Also on Tuesday evening, Haliburton played at West Guilford. Haliburton was really up for the game as they beat their hosts 14-2. Haliburton was led by Wanda Scott, Wendy Roberts and Marla McNaull. Nancy Maughan picked up the win while Joan McKay took the loss.

Wednesday night the Wilberforce ladies played host to Gooderham. Wilberforce came out strong and went on to win 26-19. They were led by Leigh Street and Chris Story who were both six for six at the plate. The Winning pitcher was Linda Hebert.

Thursday evening the two Minden teams played against each other. The Dixie Lee Homestead team hung on to win 25-20. The Dixie Lee Homestead team was led by Helen Burk, Lorraine Carpenter and Marg Fielding. The Juniors had a good night from Darlene Pettis and Heather Kennedy. Anne Hewson picked up the win while Cheryl Dillon took the loss.

Also Thursday Stanhope played in Gooderham and Stanhope won 3-2. Marg Darby was the winning pitcher.

Up & coming games: Wed. July 22 Haliburton at Gooderham & Carnarvon at Wilberforce. Thurs. July 23 Dixie Lee Homestead at West Guilford. Monday July 27 Minden Jrs. at Haliburton & West Guilford at Minden against the Dixie Homestead. Tues. July 28 Gooderham at Stanhope & Minden Dixie Lee Homestead at Wilberforce.

Our Annual Tournament will be held on August 8th & 9th. There will be twelve teams. Watch for ads for the times.

FREE ADMISSION MINDEN to the 33rd ROTARY CARNIVAL

**WED. JULY 29
THURS. JULY 30
at the
MINDEN ARENA**

Welcome! to the thirty-third annual Minden Rotary Carnival, July 29 and 30. It's our yearly mid-summer celebration that has proven to be one of the most popular events on the calendar.

The carnival fills two big evenings with a giant parade kicking off the activities Wednesday night. The parade leads to the Minden arena where activities continue on into the night. A midway, with all the fun rides and sweet smells you'd expect from an outdoor show, fills the arena parking area. Inside, at Rotary Club booths, you can test your skill or the law of averages. A dunking tank, featuring volunteers from Minden's OPP detachment is also back again this year.

Wednesday evening there will be live entertainment in the arena with refreshments available. Thursday evening, more entertainment plus an arm wrestling contest and a draw for \$1,000. bill along with the midway and games of chance.

Admission to all events and activities is free.

The theme for this year's Rotary Carnival is "Western Days". Many of the floats in the parade will carry this motif and visitors to the arena are welcome to don their western attire for the occasion.

However you come, be sure to mark July 29 and 30 on your calendar. We'll see you there podner.

This schedule of events is brought to you by the community-minded merchants whose signatures appear on this page. They appreciate your patronage.

Rotary help reaches to all corners of the community

Participants in the Summer Carnival at the end of the month may wonder where the funds raised by Minden Rotary Club at this and other functions, goes. It is a reasonable question to ask, and one that deserves an answer.

One of the most important objects of the Rotary movement around the world is service, service to the community and service to society. This fact is reflected in the many and varied projects which the Minden club has undertaken.

Some of the projects have involved single donations, meeting an emergency or unusual need within the community. In other cases the Minden Rotarians have taken a long term responsibility to provide support for a particular project for many years to come.

In either case, money raised through such events as the summer carnival, is used by the Rotary Club to continue its support of various projects. For this support, the club members are most grateful.

The following projects have received, or continue to receive, the support of the Minden Rotary Club:

-the tennis courts adjacent to the Minden Community Centre were funded through money raised by the club and grants from Wintario. The municipality is now responsible for the operation and maintenance of the facility.

-a life-size "dummy" was purchased for local health officials so others in the medical field and the general public could learn the techniques of cardiopulmonary resuscitation (CPR), a

first aid procedure that is used to revive patients whose hearts have stopped beating.

-a resusci-Anne doll, used for the instruction of mouth to mouth resuscitation has also been purchased by the club.

-the club has provided financial assistance to the Minden Red Cross Society's learn-to-swim classes for children.

-a picnic shelter with fire places and tables has been constructed using Rotary Club funds at Rotary Park, adjacent to Highway 35 and the Gull River in Minden. In 1980 the cost of constructing a change house at the same park was helped by donations from the Rotary Club.

-each year a bursary in the amount of \$200 is provided to a deserving high school student to further his or her education. The selection of the student is done by the teachers at the school.

-the Minden Rotary Club is a major supporter of the Five Counties Children Centre in Peterborough. The centre provides instruction and rehabilitation facilities for crippled children, and special classes for children with learning disabilities. In addition to making direct donations to the centre, the Minden Rotary Club, along with the Haliburton Rotary Club provide funds for a weekly bus service from this area to the centre in Peterborough.

-the Minden and Haliburton Rotary clubs are the organizers of the annual Snowarama for Timmy in Haliburton County. This snowmobile rally, held in conjunction with many others across the province, raises money for the Ontario

Society for Crippled Children.

-each year before Christmas, Anson, Hindon and Minden by-law enforcement officer Dick Schell, who also administers welfare payments for the municipality, is instructed to purchase toys for needy children in the township. The Minden Rotary Club covers the cost of those toys.

-the club has also donated trophies for teams in the Harrison Memorial Hockey Tournament, held each year in Minden, and supports the trees for Canada program of Scouts Canada by offering a trophy as an incentive to the local Scouts.

-an International hockey tournament, which draws teams from Ontario, Quebec and several states in the U.S. is held at the end of each year at the local arena. Sponsored by the Minden Rotary Club the event is held in co-ordination with the Minden Minor Hockey Association.

-last autumn when a local committee was formed to sponsor a family of 'boat people' from Vietnam, the Minden Rotary Club donated \$1000 to the fund.

-when a tornado ripped through the heart of Oxford County recently, the Minden Rotary Club responded to the plea for help and sent a donation to the Woodstock Disaster Fund.

That, then, is a brief list of the projects which receive the financial and moral support of the Minden Rotary Club. In addition, the club supports numerous overseas projects in less developed nations through international aid programs organized by Rotary International.

New shop for Minden

The owner of Minden's newest business appeared at Anson, Hindon and Minden council last week to introduce herself.

Renate McNamee, alias

Pair charged

A stolen car from Toronto was recovered in Haliburton County on Monday and two Rexdale men have been charged with the possession of the stolen property.

The 1981 Camaro was found on Highway 121 after it had been involved in a single car accident and was totally destroyed.

Robert Allister Bodnaruk, 20, and Ronald Richard Nogiec, 17, have been charged.

Constable Bob Wood investigated.

Collision

Two cars heading in the

Terri, is opening Terri's Thirt Shop and she invited members of council to come to the opening.

McNamee said she and her husband, George, have lived

in Minden for almost a year. Before that, they lived in Beaverton where they were involved in the food business.

She said several people she knew had similar types of shops, like Terri's, and she thought she would like to try her hand.

"I've always wanted to get into something like this and I thought, why not now?" she said.

The shop will have a wide range of articles from clothing, toys, antiques, records to small appliances, tools and even a book exchange.

Hustlers win 2

The Rockcliffe Hustlers picked up two wins last week, one the easy way on Wednesday night when Lindsay Peterborough Lumber Juniors could not get enough players to make the journey to Minden.

On Thursday night the Hustlers went to Woodville and soundly defeated the home squad to the tune of 6-1 to raise their record to 12-4. Winning pitcher was Jack Snell who was aided by a homer by Dave Dollo and two doubles by Warren Payne.

The Hustlers have three games this week. They travelled to Downeyville on Monday. The local squad defeated Downeyville 5-4 with Jack Snell picking up the win. Snell also hit a home run for the Minden team.

They are at home Wednesday July 22 against York Tavern and on Thursday night against Woodville.

These are all very important games as second place York Tavern from Lindsay holds an 11-5 Record.

Your Needs

Mr. and Mrs. Larry Cox of Toronto have been visiting with his parents Mr. and Mrs. Ray Cox.

Sincere sympathy goes to the families and friends of the late Mrs. Jacob Graham, Gordon Griffin and Alec Hewitt who passed away since last week.

Weekend guests with Mrs. Ern Hewitt included the Fred Hewitts of Scarborough and Neil Hewitt of Carleton Place.

The community sends good wishes to these people who have been in hospital Mrs. Bob Hughes, and Marcia Rendall.

Alice Cos spent 8 days at Regina and at other parts of Saskatchewan and while there visited with her 90 year-old father and attended a nephew's wedding and also visited other relatives and friends.

Mary Currah of Gelert spent the weekend visiting her sister Kate Langmaid of Whitby & brother Russel Lindsay of Ashburn & attended a family reunion at Rus & Lil's lovely home.

We note that the new Becker's Milk store will open this Wednesday 22nd and also we note for youngsters the Deckhands Puppet Show will be at the FireHall at 3, and is free: sorry this is the time they selected for us not our choice.

Also Haliburton County Public Library are having their annual Book Sale of discards at the office on Mountain Street, Haliburton July 27 -31st from 10 am to 4 pm.

REMEMBER

I went out to find a friend; a friend I could not see.

I went out to be a friend; and friends just flocked to me. Anon

One of the Major Events of the summer is Minden Rotary Carnival on July 29 and 30th. The Heineken Race and Stinson Canoe Race also are that week. The weekly Rotary Bingo at the Recreation Centre is on Tuesday as usual with special prizes. The parade is Wednesday at 6:30

and this is usually a fun one. Extensive planning makes this interesting for everyone as there will be rides at the Arena. There should be something for everyone.

The Paul Warburtons of Toronto are visiting relatives in the County.

Reverend and Mrs Halden Curtis Jr. and family of Big Forks, Montana visited with

Halden Curtis Sr., Lavina and Tom who are from Erie Penn at the family cottage on Horseshoe Lake. They also visited many other relatives in the area.

Pleasant summer weather, a few showers at night, everyone seems to be getting a tan. Take care, wherever you drive. Cheerio until next time.

Lines from Lutterworth
by Jean Lacey

Dennison.

Norm Melinechuk from Oshawa was up visiting her mother Lil Porter for a couple of days.

Ken and Jeanne Bowron had their little grandson Ross with them on the weekend. All had a very enjoyable time.

Pat and Ruth Blaney from Toronto were up visiting in the area and dropped in to see the Dunsfords for a few hours on Sunday.

My aunts left for Montreal last Thursday morning. They enjoyed the country very

July 18 and re-opening July 27

20th Annual (and final edition) of the Stinson Memorial Canoe Race

will be held July 29 at 6:30 p.m. starting from Rotary Park and finishing at the Gull River Bridge. Two-man canoe teams are invited to enter with a special invitation to area camps. (Only two entries per camp, please.) Canoes must be 16 foot cedar strip canvas covered. All entrants should be at Rotary Park by 6 p.m.

much, they didn't get to see too much forest grandeur.

The Oatman's from Shelburne were up visiting in the area.

The Lacey's from Dundalk were up camping in North Bay and dropped in for a couple of days on their way home.

Clare Wright from Mississauga was up and stayed with his parents overnight.

Mike and Jeanne Cruickshank from Shelburne were up looking at places to spend their holidays.

The Lacey's from Peterborough were over visiting on Sunday.

Fred and Irene Graham with son Jeffery and daughter Kim from Peterborough were visiting in the area and doing some fishing.

Mrs. Bedlington is out of

hospital and is feeling somewhat better.

The Hagerman's were up to their cottage for a few days.

Water plants with cold tea. This is especially good as a pick-me-up for ferns. Save water in which you have boiled eggs and water your

plants with it. Or crush eggshells in water, let stand for awhile, and use it to water your plants. Keep the container covered, since this mixture is heady for humans as well as plants. Crushed eggshells adds lime to the soil.

Bye for now. Take it easy. God bless till next time.
